

## Newsletter – June 21, 2016

I have safely arrived back in North Carolina for the summer, and I anxiously await opportunities to visit with you. I would love to share about my ministry with your church group, Sunday school, or congregation. I will be in the US until July 28<sup>th</sup> and am still looking to book speaking engagements until then. I love to share about my ministry in Cameroon and am happy to speak to groups of any size for any length of time. Please share this with your group leaders, church secretaries, pastors, etc. Please use the contact information below to get in touch with me. No group size or time slot is too small!

I am looking forward to the start of the new school year at the beginning of August. I am scheduled to teach four classes, middle school fine arts (combined music and drama), middle school math, middle school study skills, and high school choir. At Rain Forest International School I am blessed with the ability to teach students from a wide variety of cultural backgrounds. I currently have students from Korea, Switzerland, the US, Cameroon, and Central African Republic. I am already getting prepared for next year with lesson plans and project ideas, I have several worksheets already printed and ready to go for the first days of school, and have spent time here putting together new ideas for lessons already. My work is never done!

My father took the picture below, just as I had arrived at the airport in Norfolk, VA. I was tired but made it here without any problem! The other picture was taken after our middle school performance which, as you already know from my last newsletter, was a hit! I was humbled when several students came to me at the end of the school year and told me how much they had learned in my class, some of my 8<sup>th</sup> graders even said they would miss me next year! I hope you enjoy the pictures. Again, please consider giving your church secretary, pastor, or other group leader my contact information as I would love to come and share with you about my work in Cameroon!

**John 9: 1- 3 As Jesus was walking along he saw a man who had been blind from birth. "Rabbi," his disciples asked him, "why was this man born blind? Was it because of his own sins or his parents' sins?" "It was not because of his sins or his parents' sins," Jesus answered. "This happened so the power of God could be seen in him..."**
