Special Rocky Hock offer for young people!

3/17/15

Vol. 1514

Some of our dates for ***At the Foot of the Cross*** are filling up. One of them is even SOLD OUT now. The cast has been working hard and everyone is excited for the opening on Saturday!

Ticket sales can be funny. One date can be sold out and another date might be left hanging there with empty seats. Spring break for the various schools always falls around Easter and makes it difficult for some caregivers to get away. So, we have a solution!

Why not treat the young people in your world to lunch and a show at the Rocky Hock Playhouse? Though our shows are designed for people of all ages it has always struck us as funny that so few young people come to see them. The musicals are certainly appropriate for all ages and what a terrific way to expose people to the gospel!!

So, we've decided (as long as seats last) to make a very special offer available for young people. Basically, we need the adults to gather up the kids, grandkids, neighborhood kids, youth groups, etc., and bring them along on to see ***At the Foot of the Cross***. (Read on – we have a terrific discount available!) The specific dates are listed below. Our adult groups always enjoy watching the faces of young people as they see the stories of the bible unfold. It's no fun having empty seats in the house. Come one, come all – we want to fill up all those empty chairs!!

OUR EASTER SHOW IN EDENTON

This new Easter musical by Gloria Emmerich revisits the life, death, and resurrection of Christ as you’ve never seen it before. The depth of Christ’s compassion was demonstrated by His willingness to live among the people. His love for us is unending, personal, and eternal. That lonely and distant cross will seem somehow closer than ever before as you witness this stunning portrayal of Christ’s last days on earth. Gloria Emmerich’s musicals are a perfect blend of humor and realism. In the end, we guarantee you’ll know without a doubt that He is the Christ – the Son of the living God!

The action is set in Truvy's beauty salon in Chinquapin, Louisiana, where all the ladies who are "anybody" come to have their hair done. Filled with hilarious banter and not a few prickly but humorously revealing verbal collisions, the play moves toward tragedy when, in the second act, the spunky Shelby (who is a diabetic) risks pregnancy and forfeits her life. The sudden realization of their mortality affects the others, but also draws on the underlying strength—and love—which give the play, and its characters, the special quality to make them truly touching, funny, and marvelously amiable company in good times and bad.
