

Holly soon off to Cameroon

8/16/13

Vol. 1346

Many of you will remember that Holly has joined the Wycliffe Associates team of Bible Translators and is scheduled to leave the first of October for an initial two year commitment to **Cameroon, Africa**. Gloria and I are so excited for Holly!! Yesterday was her last day as a group home supervisor in Washington, NC and she has moved back home with us in Edenton now so we can have some quality time together and so she can concentrate on fund raising before she leaves. Holly has already had hours of online training with Wycliffe and will make a trip to Florida (Wycliffe International Headquarters) for a week in September for additional intensive training.

We have to be honest with you. **Holly has a long, long way to go in raising support** and we need your help. Wycliffe requires a little over \$2000 per month in pledged support before they will allow her to leave for Africa. This money **MUST** be pledged by **September 1** so she has only two weeks to get all the pledges in place.

There have been a number of one time donations and we are VERY grateful to those of you who have sent in your hard earned money to support Holly. One time and occasional gifts are ALWAYS a blessing and gladly accepted.

At this time, we are really hoping to encourage folks to step up to the plate and pledge "any amount" at all on a monthly basis. If everyone would just pledge a few dollars per month (I promise, you wouldn't even miss it) Holly would be in good shape. Gloria and I are confident that all of our Rocky Hock Playhouse supporters will come through! Many of you watched Holly grow up on our stage. And, we appreciate each of you more than you know for your continued patronage at the Playhouse. Never think we take any of this lightly.

Holly is anxious to help Wycliffe meet their goal of having the WORD OF GOD translated into over 2400 languages by the year 2025. I glanced over at my bookshelf just now and counted 11 different translations of the bible. Plus, I can get on

the internet any time I want and read dozens more...in English...my first language. **Imagine not having EVEN ONE bible in your own language???** THAT is the goal of Wycliffe...to get bibles into the hands of people who have not one single bible translated into their own language. I implore you to search your heart and consider making a monthly pledge to support Holly in her mission to Africa.

Also, we've put together a PowerPoint presentation which (among other moving photos) includes pictures of Holly as a child on various mission trips she took with Gloria and me to the South Pacific and Australia.
